## Engraving

Your address, street or family name, or just about anything else you can think of, can be sandblasted into any of our posts, and will be brought to life using long-lasting litho-chrome paint.  
 Standard engraving costs are \$180.00 for the first thermal side, \$120.00 for the second thermal side, and include up to four characters (up to 3" high each) per side. Additional characters, logos, etc. are quoted separately. **We can also engrave benches, signs, pavers and more. Ask your sales associate for more details.**

## Delivery and Installation

Swenson Stone Works can deliver any of our products to your home or job site, and will even install a front set of steps, a lamp post, or mailbox post. While we are not responsible for ground preparation, we are happy to recommend a qualified local contractor who can assist you, so please ask your Swenson Stone Works representative for details and pricing.
